

Bachelor of Science in Business Administration in Finance

Summit Technology Academy
in partnership with University of Central Missouri

This Fast Track program helps students determine if finance is the right career choice and prepares them for success with a Bachelor of Science in Business Administration in Finance (BSBA).

What Does the Fast Track Program Offer?

- Earn 9 hours of finance dual credit while still in high school.
- Save up to 70% of undergraduate tuition with the dual credit rate.
- Qualify for the dual credit scholarship and learn about other opportunities to help pay for your tuition.
- Tuition-free opportunities for students on free or reduced school lunch.
- Meet with a UCM advisor to plan out your path.
- Develop valuable core competencies that employers seek in job candidates.
- Engage with upperclassmen and professors in relevant industry activities and learn firsthand about opportunities.
- Finish your degree in less time with additional credit options.
