

Bachelor of Science in Digital Media Production

Summit Technology Academy
in partnership with University of Central Missouri

This Fast Track program helps students determine if digital media production is the right career choice and prepares them for success with a Bachelor of Science in Digital Media Production.

What Does the Fast Track Program Offer?

- Earn **four** hours of digital media production with an additional twenty dual credit hours while in high school.
 - Save up to 70% in tuition with dual credit and finish your degree sooner.
 - Work with a UCM advisor to plan out your path.
 - Meet UCM's digital media production staff and students and have the opportunity to participate in UCM televised events at the MIC.
 - Develop valuable editing competencies that employers seek in job candidates.
 - Qualify for the dual credit scholarship and learn about other opportunities to pay for college.
- Meet UCM digital media production professors and learn firsthand about video and audio opportunities.
 - Access UCM state-of-the-art studio.
 - Learn about media internship opportunities in Kansas City, with the Global Vision Documentary Project, and on-campus practicums with organizations such as KMOS-TV.
 - Learn about UCM scholarships to help pay for your tuition.
 - Participate in adjudicated film festivals.
